

The Greater Morgantown Metropolitan Planning Commission (GM MPO) and the West Virginia Division of Highways (WVDOH) will be holding informational public meeting on September 30, 2010 at the North Elementary School. The project consists of improving WV 705 near Morgantown to either a 4 lane or 5 lane facility or a combination of the two for approximately two miles from Monongalia County Route 67 (Stewartstown Road) to the intersection of US 119 and Monongalia County Route 857 at Easton. The public meeting will present information on various alternatives comparing how they operate using micro-simulation and congestion oriented measures. GM MPO and Highways officials will provide information, including a handout, on the project.

The scheduled public meeting is from 4:30 to 7:30 p.m., with presentations made at 4:30, 5:30 and 6:30 p.m. The public will be afforded the opportunity to ask questions and give written comments on the project throughout the meeting.

Those wishing to file written comments may send them to Bill Austin, AICP, Executive Director, Greater Morgantown Metropolitan Planning Organization at 180 Hart Field Road, Morgantown, West Virginia, 26505 on or before October 30, 2010. Also, project information along with comments will be taken on the WVDOH Website at www.transportation.wv.gov and at www.plantgether.org.
